IC 1700

PRELIMINARY AMENDMENT

Dear Sir:

Pursuant to the entry of new claims 4-27 by amendment, please amend the inventorship of the above identified application by adding Cannon Gary Sample as a co-inventor with William Raymond Price. A declaration signed by Cannon Gary Sample and William Raymond Price accompanies this Preliminary Amendment. A Petition signed by William Raymond Price verifying that no error has been made and that the identification of the inventors has been made and that there has been no deceptive intent with respect to the original and amended designation of inventorship also accompanies this Preliminary Amendment. Furthermore assignments of this application to D-Tec-Dent, and a written consent of the assignee also accompanies this Preliminary Amendment.

IN THE CLAIMS.

Please add new claims 4-27 as follows:

4 A method of fabricating a denture comprising the steps of
